EXPERIENCE

AI Trainer

01/2024 – Present

Data Annotation Tech

Remote

- Generated challenging coding problems and evaluated AI model responses based on correctness, instruction following, and accuracy.
- Reviewed and rated existing chats between humans and bots, conducting research on JavaScript, Python, and SQL code to ensure accurate understanding and evaluation.

Associate Solutions Architect

01/2023 – 11/2023

Amazon Web Services

Austin, TX

- Participated in the Tech U program to master AWS services and solutions architecture.
- Developed a migration estimator tool as a Proof of Concept (PoC) to help customers and employees estimate cost savings when transitioning from other cloud providers.
- Built a cloud-based VR development tool as a PoC to assist VR developers in building games and spaces, utilizing AWS Amplify and JavaScript.
- Collaborated with customers to customize AWS solutions, enhancing customer satisfaction and solution precision.

Software Engineering Intern

05/2022 – 08/2022

NCR Voyix

Atlanta, GA

- Developed a mobile automation testing tool script using Python, enhancing testing processes and accuracy.
- Gained hands-on experience with Agile development methodologies, practicing collaborative software development and contributing to team-based project completions.
- Designed and created a shopping cart application prototype using Figma for a Hackathon project, demonstrating creativity and identifying a potential new avenue for organizational growth.

Information Technology Help Desk Support

07/2019 – 05/2022

ServiceLink IP Holding Company LLC

Arlington, TX

- Administered and maintained SQL databases, including generating reports and updating records using SQL Management Studio.
- Troubleshoot and resolved customer issues with web applications, including account lockouts and password resets.
- Documented unresolved technical issues, created tickets, and followed up with customers on progress and solutions.

EDUCATION

University of Texas at Arlington

Arlington, TX

B.S. in Software Engineering

2022

CERTIFICATIONS

AWS Certified Solutions Architect – Associate, Amazon Web Services, 2023
